## **INVITATION TO BID**

### **NEW 800 kW DIESEL POWERED EMERGENCY GENERATOR for OXNARD HUENEME SYSTEM BACKUP GENERATOR PROJECT**

- Quotation Due Date:** February 01, 2021, not later than 5:00 P.M. (PST)
- Project Description:** United Water Conservation District (UWCD) invites the submittal of quotations from qualified vendors interested in supplying a new 800kW diesel powered emergency generator for the Oxnard-Hueneme OH System (OH System) Generator Project. A detailed description of the work is included in the Request of Quotations (RFQ) documents. To receive a copy of the RFQ documents, please contact Michel Kadah, P.E., [michelk@unitedwater.org](mailto:michelk@unitedwater.org)
- Project Location:** The Project is located at UWCD's El Rio Water Treatment and Groundwater Recharge Facility at 3561 North Rose Avenue, Oxnard, CA 93036.
- Submission of Quotations:** Due to the COVID 19 pandemic, UWCD is not accepting hard copy documents. Interested vendors shall submit their quotations via email to Michel Kadah, P.E., [michelk@unitedwater.org](mailto:michelk@unitedwater.org)
- Quotation Questions/Clarification:** January 25, 2021, no later than 5:00 P.M. (PST). Questions pertaining to the quotations shall be submitted via email to Michel Kadah, P.E., [michelk@unitedwater.org](mailto:michelk@unitedwater.org)
