CONSERVATION DISTRICT

**UNITED WATER CONSERVATION DISTRICT
BOARD OF DIRECTORS
POLICIES AND PROCEDURES**

Effective April 10, 2013

Revised and Approved December 13, 2017

Revised and Approved March 13, 2018

Revised and Approved September 9, 2020

Revised and Approved March 9, 2022

Scope

This policy sets forth administrative procedures to guide the Board of Directors in conducting the governance of the District. It generally sets forth procedures that are not otherwise dictated by state Government Code or Water Code, though in some cases procedures governed by state law are covered here for the sake of clarity and convenience. Many of the Board's activities are governed by the Ralph M. Brown Act (Government Code Section 54950), and the Board will comply with the Act's various provisions in recognition that it is the public's right to have access to and input on the District's governance.

Over the years, the District has adopted numerous resolutions and policies with respect to Board procedure, so this document also serves to bring together those past actions in one place.

Though otherwise intended to be as thorough as possible, it is expected that matters will arise which are not covered in this document and which must be addressed by the Board. It is expected that as these matters arise this policy will be amended to include provision to cover them.

The District also recognizes that laws change from time to time. If any of the provisions in this document are in conflict with current law, the conflicting provisions will be deemed invalid and the current law will apply. Likewise, if any of the provisions in this document are invalidated, the remainder of the provisions in this document shall remain in effect and shall not be invalidated.

Purpose and General Provisions

United Water Conservation District, reformed in 1950 under Division 21 of the state Water Code, is governed by a seven-member Board of Directors. In order to conduct its governance responsibilities, the Board of Directors requires a clear, succinct set of procedures. These procedures help in several ways, including ensuring that the District conducts its business in compliance with state Government and Water Code or other applicable laws, provide the public with ready information about how the Board will perform governance functions, and ensure that regular administrative requirements are addressed in a timely, consistent manner.

SECTION 1 – COMPOSITION OF THE BOARD

Make-up of the Board

United Water Conservation District has been established with seven divisions of approximately equal population. Consequently, the Board of Directors shall consist of seven members, each of which shall be an elector of the division for which he is elected and a resident of Ventura County. Each Director shall be elected for a term of four years.

Election of Directors

The terms of the Directors shall be staggered such that the seats representing three of the District's divisions are up for election in the same year, and two years later the other four seats stand for election.

District elections shall be held on even numbered years and shall be consolidated with statewide general elections in November.

In accordance with Election Code section 15651, in the event of a tie vote between the leading vote-getters in one District division, the District will hold a special election to determine the winner.

Any fees associated with the filing of Candidate Statements or for acquiring voter registration information are the sole responsibility of the candidate.

Seating of the Board

Directors shall be sworn in at the first regular Board meeting following certification of their election. They shall be sworn in by the county Clerk or by a person to whom the Clerk has delegated this authority. In the event that circumstances do not permit a newly elected or re-elected Director to be sworn in at a regular Board meeting before the last day of December following the election, special arrangements may be made with the county Clerk or his/her deputy to conduct the swearing-in.

Election of Officers

At the regular Board meeting in January of each year, the Board shall elect three officers: President, Vice-President and Secretary/Treasurer. No member of the Board shall serve more than two consecutive one-year terms in any of these three offices.

Duties of the President

- Chair meetings of the Board of Directors.
- Review agenda of Board meetings with General Manager before each meeting.
- Appoint committees of the Board of Directors and assign committee chairperson responsibilities.
- Set the time and place for special meetings of the Board of Directors.
- Represent the District at public ceremonies.
- Serve as public spokesperson of the District and express approved policy of the District when called upon to do so.
- Sign checks of the District as prescribed under financial policies.
- Annually facilitate review of the General Manager.

- Chair District's Executive Committee.

Duties of the Vice President

- Assume the duties of the President in his/her absence.
- Sign checks of the District as prescribed under financial policies.
- Serve as a member of the District's Executive Committee.

Duties of the Secretary/Treasurer

- Chair the District's Finance and Audit Committee.
- Attest to accuracy of Board meeting minutes.
- Serve as a member of the District's Executive Committee.

Director Bonding

Pursuant to Water Code section 74206, each director of a water conservation district must execute an official bond in the sum of \$1,000 and file the bond, together with his or her official oath, with the secretary of his or her agency. This obligation will be fulfilled by the District for its Directors through the District's liability insurance coverage.

SECTION 2 – BOARD MEETINGS

Quorum

A quorum of the Board shall be four or more members.

Regular Board Meetings

Regular meetings of the Board of Directors will be held on the second Wednesday of each month, at 12:00p.m. at the District's offices. In consideration of certain factors, the Board may act to move the place or time of a specific future regular Board meeting, however, under no circumstances may the Board hold a meeting outside of the boundaries of the District, except to:

1. Comply with state or federal law or court order, or attend a judicial or administrative proceeding to which the District is a party.
2. Participate in meetings or discussions of multiagency significance that are outside the boundaries of the District. However, any such meeting or discussion shall take place within the jurisdiction of one of the participation local agencies and be noticed by all participating agencies.
3. Meet outside their immediate jurisdiction with elected or appointed officials of the federal or state governments when a local meeting would be impractical, solely to discuss a legislative or regulatory issue affecting the local agency and over which the federal or state officials have jurisdiction.
4. Visit the office of the local agency's legal counsel for a closed session on pending litigation, when to do so would reduce legal fees or costs.
5. Other circumstances as authorized by the Brown Act.

Notice of the meetings and an agenda for any such meeting must be posted at the entrance of the District's headquarters (in a position viewable from outside the building 24 hours a day) at least 72 hours in advance of the meeting.

Special Board Meeting

In order to address urgent issues which cannot wait for the next regular Board meeting, the President or a majority of the Board may call a special Board meeting. In calling a special Board meeting written notice must be mailed to each member of the Board not calling the meeting at least three days prior to the meeting, and to each local newspaper and radio or television station requestion notice, in writing (email or fax is acceptable for this purpose) at least 24 hours before the time of the meeting. The notice shall specify the time and place of the special meeting and the business to be transacted or discussed, and no other business shall be considered at the special Board meeting.

The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the Clerk of the Board a written waiver of notice. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

The special Board meeting agenda shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public at the District's offices.

At a special Board meeting the Board may not take action with respect to the salaries, salary schedules, or compensation paid to District Directors or employees.

Emergency Board Meetings

In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, the District may hold an emergency Board meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement applicable to other special Board meetings. In such event, each local newspaper and radio or television station requesting notice of special meetings shall be notified by telephone at least one hour prior to the meeting by the Board President or designee.

An “emergency situation” shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body. Such an emergency Board meeting will commence with a determination by the Board as to the “emergency situation” which exists.

The Board may also meet in a “dire emergency,” defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity which poses such an immediate and significant public peril that requiring a one-hour notice before holding the meeting may endanger the public health, safety, or both, as determined by a majority of the members of the legislative body. Such an emergency Board meeting will commence with a determination by the Board as to the “dire emergency” which exists.

Remote Attendance by Directors

Directors may participate in any meeting within the subject matter jurisdiction of the Board, including Board and committee meetings, via teleconferencing from a remote location, including outside of District boundaries. All votes taken during a teleconferenced meeting shall be by roll call.

In the event of use of teleconferencing for Director Board meeting attendance, an agenda shall be posted at each teleconference location. Each teleconference location shall be identified in the notice and agenda of the meeting, and each teleconference location shall be accessible to the public. During the teleconference, at least four members of the Board shall participate from locations within the boundaries of the District. The meeting agenda and format shall provide opportunity for members of the public to address the Board at each teleconference location.

Order of the Meeting

Public Comment

Every agenda for Board or committee meetings shall provide an opportunity at the beginning of the meeting for members of the public to directly address the Board or committee on any item not on the agenda but within the jurisdiction of the District or, in the case of a committee meeting, within the specific jurisdiction of the committee. No action shall be taken on any item not

appearing on the agenda unless the item is added to the agenda in accordance with the requirements below.

With respect to items on the agenda, an opportunity will be given to the public to provide comment on the item before or during consideration by the Board or committee.

The agenda need not provide an opportunity for members of the public to address the Board on any item that has already been considered by a committee at a public meeting where interested members of the public were provided the opportunity to comment unless the item has been substantially changed since the committee heard the item.

Adding Items to the Agenda

Items may be added to the Board meeting agenda upon a determination by a two-thirds vote of the members of the Board present the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action on the item and that the need for the action came to the attention of the Board subsequent to the posting of the agenda; or upon a determination by the majority of the legislative body that an emergency exists; or as otherwise authorized under the Brown Act.

Consent Calendar

The agenda of regular meetings of the Board of Directors may contain a Consent Calendar for Board action on non-controversial items. An item shall be pulled from the Consent Calendar for separate consideration upon the request of any member of the Board. Non-controversial action items with a fiscal impact may only be included in the Consent Calendar for a budgeted expense of less than \$100,000 and an unbudgeted expense of less than \$30,000.

All votes on the Consent Calendar shall be conducted by roll call.

Voting on Board Actions

Under no circumstances shall the Board take action by secret ballot, whether preliminary or final.

Voting on items establishing District policy or approving resolutions or ordinances must be conducted by roll call vote. Action on items with a fiscal impact must be conducted by roll call vote for unbudgeted items and for budgeted items greater than or equal to \$100,000. All other items, upon the judgment of the President, may be conducted by voice vote.

Executive (Closed) Session

Executive (Closed) sessions are portions of District Board and committee meetings, conducted in private, without the attendance of the public or press. They are permitted for specified purposes as part of a regular or special meeting, and during an emergency meeting under certain circumstances.

Disclosure of confidential information acquired in closed session is prohibited, unless the Board or committee holding the closed session authorizes disclosure by a majority vote. The Board may enforce this prohibition by seeking injunctive relief to prevent disclosure, disciplinary action against an employee who has willfully disclosed confidential information, or referral of a member of the Board or committee who has disclosed confidential information to the grand jury.

Alternatively, if the Board determines that a member of the Board or committee willfully disclosed confidential information acquired in closed session, the Board may publicly censure that Board or committee member. Censure must be done by resolution and requires a motion and second from the Board and 75% of the Board voting in favor of censure.

SECTION 3 – COMMITTEES (Revised and Adopted 2020-09-09)

Purpose and General Provisions

Such advisory committees shall exist for a set term or until their assignment is deemed complete by the Board President.

Standing committees and ad hoc committees are for advisory purposes only; no decisions may be made without specific authority being approved by action of the full Board of Directors. Committees provide input and guidance to staff in developing recommendations to be presented to the entire Board. Section 7

**BOARD MEMBER AND DISTRICT EXECUTIVE
TRAVEL/COMPENSABLE ACTIVITY POLICY
(Revised and Adopted July 1, 2021)**

SCOPE

This policy applies to members of the Board of Directors and to District executive staff (General Manager and assistant General Manager) that have occasion to incur expense on behalf of the District.

This policy additionally sets forth the types of activities for which board members may receive compensation and reimbursement for their actual and necessary expenses thereto in accordance with Government Code Section 53232 et seq.

PURPOSE AND GENERAL PROVISIONS

The intent of this policy is to establish equitable standards and achieve reasonably consistent and fair treatment relating to reimbursement of actual and necessary expenses incurred in the service of the District. It is further intended as a guide for both the preparation of expense reports and for approval of such reports. It is also a means of informing all concerned of their privileges and obligations in the use of District funds for travel, education, community and legislative outreach, and other expenses.

The District recognizes that attendance at workshops, seminars, meetings and conferences provides Board members and District staff with a vital forum for the exchange of ideas and methods in all areas of governmental administration, for presenting and receiving information, to provide training and professional growth opportunities. The District also recognizes the importance of building relationships with legislators, regulators and key opinion leaders in local, state and federal government centers. It is the District's policy to reimburse individuals for all actual and necessary expenses incurred while engaged in activities critical to building these relationships. Individuals are expected to exercise good judgment in the expenditure of District funds. Items deemed to be of a purely personal nature are not reimbursable or covered by the District.

A. District Executives

Advance approval by the immediate supervisor and General Manager is required for attendance at all training programs, meetings, seminars and conferences, and/or professional growth events beyond Los Angeles and Santa Barbara Counties that require an overnight stay, air travel and/or involves an expense exceeding \$500.

B. District Board Members

Consistent with the requirements of this policy, Board members may receive reimbursement for their actual and necessary expenses incurred when participating in those activities listed in the "Compensable Activities" section of this policy. Pre-approval of the Board for these expenses is not required.

However, any expenses which are incurred for activities not set forth in the “Compensable Activities” section, or which do not fall within the requirements of this policy (e.g., which exceed the maximum permissible rate), must be approved by the Board of Directors in a public meeting before the expense is incurred, or the expense will not be reimbursed. The only exception to this requirement pertains to lodging expenses, as set forth below.

ALLOWABLE EXPENSES

A. Travel Expenses

1. Airline or other travel accommodations shall be economy class. Travel arrangements will be made through District staff. Airline travel will be arranged so as to be as cost efficient to District as possible, including early booking to minimize costs. Baggage fees are considered part of the cost of airline travel and are an allowable expense.

In case of trips longer than three hours scheduled flight time, tickets may be booked in premium economy class (e.g., Economy Plus on United Airlines, Main Cabin Extra on American, etc.). Where possible, this class should be booked at time of ticket purchase. Upgrades to premium economy purchased at check-in will be reimbursed. The District will not pay for upgrades in any other circumstances. When traveling on District business, the work/meeting schedule will take priority over the travel schedule. As such, opportunities for premium bookings and upgrades may not be available on every trip.

When scheduling flexibility is necessary, a refundable ticket may be purchased.

Travel arrangements and costs for guests are the responsibility of the individual attending and are not considered a District expense.

2. District owned vehicles shall be used by executive management staff assigned a District-owned vehicle or staff that do not receive a mileage allowance, whenever possible when traveling on District business.

3. Personal vehicles may be used if necessary and the Board members or staff shall be reimbursed at the standard IRS mileage rate (i.e., \$0.56-8 per mile for calendar year 2021), but for a total of no more than the cost of round trip airfare. Mileage is to be calculated via the shortest route between the District worksite or point of origin for staff, whichever is less, and from the point of origin for Directors, to the destination and the return. The owner’s/driver’s auto insurance is responsible for any damage, accident, etc. incurred. Executive management staff receiving a monthly mileage allowance shall abide by the terms of this section except where it conflicts with their employment agreement, in which case the terms of the employment agreement shall apply. Staff who do not receive a monthly mileage allowance must seek approval from their department manager in advance for use of personal vehicles on District business. Employees must provide the District with evidence of personal auto insurance, including liability insurance, in advance of travel.

4. Mileage reimbursement for a Board member's use of their personal vehicle shall be from the point of origin to destination and return. Executive management staff receiving a monthly mileage allowance shall abide by the terms of this section except where it conflicts with their employment agreement, in which case the terms of the employment agreement shall apply. Board members may be reimbursed for mileage for up to 10 meetings per month in accordance with Section B of the District Board Members: Compensation and Compensable Activities section of this policy.

5. Rental automobile costs are reimbursable when justified by the nature of the trip. Except in cases where there are more than three District-affiliated individuals traveling together, only rental of vehicles of full-size standard or smaller are permitted to be reimbursed. Rental of SUVs, minivans or premium/luxury vehicles will not be reimbursed for fewer than four individuals in one vehicle. In such cases, the names of all District-affiliated individuals will be recorded in the expense report. All drives of rental vehicles must provide their own insurance that covers the rental vehicle. Charges for insurance provided by the rental company will not be reimbursed. Fuel costs will be reimbursed with appropriate receipts.

6. Taxis and other local transportation costs, including ride-share apps, incurred to and from businesses, hotels or airports, or in other District-related activities are reimbursable upon submittal of a receipt (see tipping guidelines under Tipping section).

7. Government and group rates offered by a transportation provider will be utilized when available.

B. Hotels

1. The cost of hotel or motel accommodations incurred on approved business trips is reimbursable. It is expected that an individual will use accommodations appropriate to the nature of the business trip. Accommodations may be reserved for guests attending a District-approved function; however, the District will reimburse only the cost of the single person room rate.

2. Government and group rates offered by a lodging services provider will be utilized when available. If a lodging expense is incurred in connection with a conference or organized educational activity conducted in compliance with Government Code Section 54952.2(c), including but not limited to ethics training required by Government Code Section 53234 et seq., lodging costs covered by the District shall not exceed the maximum group rate published by the conference or activity sponsor, provided that lodging at the group rate is available to the Board member or District staff at the time of booking. If lodging is available at the group rate, and a Board member or District staff elects to stay at a non-group rate hotel which has a higher rate, District charges shall not exceed the maximum group rate published by the activity or group sponsor, that is the Board member or staff shall be financially responsible for the difference. If rooms at the group rate are not

available, the Board member or staff shall use comparable lodging that is consistent with the requirements of Government Code Section 53232.2(c) and (e), respectively. In such event, the District may pay for up to 110% of the group rate, that is the Board member or staff shall be financially responsible for any amount in excess of 110% of the group rate.

The rates specified in the above paragraph refer to base rates and shall not include transient occupancy taxes or parking.

C. Travel Per Diem

In order to provide for the costs of ad-hoc expenses related to District travel, the District will reimburse \$100 per full day of authorized travel outside of the District that requires an overnight stay. The per diem is expected to cover all meals not part of outreach activities and other district business as well as any and all incidental expenses not specifically addressed in this document. The per diem will be claimed on the standard business expense report and will not be paid in advance of travel.

D. District Outreach Events

Periodically, Board Members and District Executives engage in activities related to legislative outreach. Recognizing that these events often have irregular schedules and venues, food and beverages provided as part of these activities will be reimbursed, provided the cost is reasonable for the situation as determined by the General Manager. Alcohol of reasonable costs and quantity may be provided at these events at District expense. Third-party attendees of such events must be verbally approved by the General Manager in advance to assure that the event is pursuant to District objectives and not social in nature.

Meetings of District personnel prior to or following outreach events where food and beverage are provided will be considered part of the outreach activities and as such will be covered by the District and not an incidental expense covered by the above mentioned travel per diem.

Expenses for such activities will be comprehensively documented. Supporting documentation will include a detailed check or invoice (not just a credit card receipt) and a clear accounting of the names, positions and affiliations of all attendees at the event.

E. Communications (Phone calls)

All necessary business calls and messages are reimbursable. It is expected that the least expensive method of communications (i.e., use of a mobile phone in lieu of hotel phone) that is consistent with the best interest of the District will be used whenever possible. The Board of Directors will be reimbursed \$50.00 per month for District business related phone/fax costs. Each Director is also eligible for reimbursement of business related long distance calls from their personal phone that are not covered by an all-inclusive phone plan upon submittal of their phone bill. Staff receiving a cellular phone allowance will adhere to the District's Cellular Phone Allowance Policy.

F. Travel Requiring Advance Approval (District Executives)

When overnight lodging is required, a travel authorization form “Request for Travel/Training Approval” must be completed by the staff as follows:

1. The completed travel authorization form must list all actual and anticipated costs associated with attendance at the event, and required approvals per the Purpose and General Provisions section. Please include the account number to be used to pay for the associated expense costs and all background information describing the event and attendance arrangements.
2. When required the travel authorization form is submitted to the General Manager for final approval (Allowable Expenses – Section A).
3. If the General Manager’s approval is granted, a copy of the request is submitted to the designated Finance personnel. If the request is denied, all paperwork is returned to the Department Manager.

G. Advances

The District will not provide cash advances for travel to Board members or Executives. Airfare will be paid directly by the District. Whenever possible, the District will prepay hotel, tuition, etc. costs to vendors with an approved purchase requisition, therefore an advance for these costs will not be necessary.

H. Non-Use of Advance Paid Reservations

Whenever staff or Board members make an advance paid reservation, or the District staff makes a reservation on behalf of the staff or Board members, whether for travel, lodging or meals (e.g. conference meal tickets), if the reservation or ticket is unused and the associated expense is not refundable and the staff or Board members utilizes alternative arrangements, the expense associated with such alternative arrangements will be reimbursable by the District at the General Manager’s discretion.

I. Tipping

The District shall cover tipping up to 20% of costs of the meal and transportation service charges.

J. Non-reimbursable expenses

This document covers all reimbursable expenses. Any expenses not specifically mentioned will not be reimbursed without prior General Manager approval.

If no circumstances will the following be reimbursed:

- Hotel movie rentals
- Personal medical expenses not related to a workplace injury
- Personal entertainment such as sight-seeing, movies/theater, golf or other sports (except in the course of District outreach activities).

ADMINISTRATION

This policy shall be administered by the General Manager. The key to prompt reimbursement is proper documentation. This includes a clear statement of the business purpose of the trip, a copy of the meeting/conference agenda, and receipts for business expenses.

Expenses rendered for reimbursement shall be itemized and sufficiently described as to the nature and intent of the expense. Expense reports should be prepared on a monthly basis and submitted to the Finance Division on prescribed forms. To receive reimbursement for authorized travel, please submit a "Travel Expense Claim" form to the Finance Division. A separate Travel Expense Claim is to be submitted for each trip taken. Original documents such as receipts or bills for all hotel charges, the last page of the airline ticket showing the itinerary and costs, usually called the "passenger receipt," and receipts for other expense must be attached to the Travel Expense Claim for documentation. Credit card charge slips will not serve as adequate documentation for transportation, room or car rental expense. In the event a receipt is lost please provide a written explanation.

The traveler is required to sign the Travel Expense Claim certifying that the amounts included on the report are actual and reasonable.

It is the responsibility of each individual, as well as each person approving the Travel Expense Claim, to ensure that there is no appearance nor occurrence of extravagant and/or unsupported expenditures for travel. During the review of these reports, any questionable or incomplete reports may be returned to the individual in order to obtain additional approval or documentation to support expenses.

The Chief Financial Officer shall advise the General Manager of any outstanding matters relating to the administration of this policy.

Exceptions to this policy may be authorized by the General Manager for other staff and by the Board Treasurer if the exception applies to the General Manager.

The Chief Financial Officer or his/her designee shall provide overall oversight of the reimbursement of expenses, and shall provide a quarterly report to the Board Finance Committee detailing the expense of the District of at least one hundred dollars (\$100.00) for each individual charge for service or product received. Additionally in compliance with Government Code §53065.5, by September 30th of each year, the Finance Division will submit a detailed report to the Board's Finance Committee that discloses any reimbursement paid to any one employee or member of the Board by the District within the immediately preceding fiscal year of at least one hundred dollars (\$100.00) for each individual charge for service or product received. The report shall be made available for public inspection at the first meeting of the Board of Directors following the Finance Committee submittal.

For District Board Members:

1. Expense reports of Board members shall be submitted to the General Manager, together with receipts, within a reasonable time after incurring the expense, and shall document that the expenses have been incurred for the types of occurrences (activities) authorized by the Board for reimbursement of such expenses.
2. Members of the Board shall provide brief reports on meetings attended at the District's expense at the next regular meeting of the Board of Directors.
3. All documents relating to expenditures of Board members as set forth herein are public records subject to disclosure under the California Public Records Act.

SECTION 8 – LAUBACHER AWARD

In honor of former Director Richard V. Laubacher, the District has each year since 1997 awarded the Richard V. Laubacher Water Conservation Award. The award annually recognizes a different individual or organization whose efforts have led to lasting, extraordinary benefit to local water resources. Though the award is established as an annual one, the Board, at its discretion, may choose to not present the award in any year.

The process for annual selection of the Laubacher Award recipient set forth below recognizes that the California Government Code prohibits a legislative body from taking action by use of a secret ballot. At the same time, it attempts to be discreet about the identity of the recipient until the award can be publicly presented.

Award Selection Criteria

The Richard V. Laubacher Award shall be presented to an individual or organization that has demonstrated leadership and innovation in water conservation in agriculture, business or educational fields in Ventura County. It should be awarded in recognition of a body of work over a long period of time, taking particular note of the recipient's longevity in Ventura County water resources leadership.

Additionally, consideration shall be given to a nominee's contributions specifically to the mission of United Water Conservation District.

Finally, the award shall not be presented to a current staff member or Director of the District.

Award Selection Process

Nomination

In January and/or February of each year, a copy of the Laubacher Award criteria will be presented to Directors to solicit nominees. Names of nominees, along with reasons each is deserving of the award, should be delivered to the General Manager at least two weeks before the regular March Board meeting. Nominations may be presented by either District Directors or staff.

Executive Committee Recommendation

At an open session meeting of the District's Executive Committee within two weeks' time ahead of the regular March Board meeting, staff will provide a list of at least eight nominees for the award along with reasons why each nominee should be considered for the award.

From these nominations the committee will then select three finalists, including one recommended recipient for presentation to the full Board of Directors. It maybe the recommendation of the committee that the award not be presented in that particular year.

The committee will also review the physical award that will be presented to the recipient to determine whether the award is suitable commemoration.

Board of Directors Award Election

At the regular March Board meeting, staff will again present the criteria for the Richard V. Laubacher Award, along with a list of previous recipients.

In the Board's reading file, given to each Director on the day of the Board meeting, a list will be presented showing all Laubacher Award nominations for that year. This document will also identify the top three nominations as determined by the Executive committee, along with reasons each of the three should be considered as a good candidate, and it will identify the committee's recommended recipient. Each of the names on the document will be numbered for identification.

Though this list will not be proactively distributed to the public in attendance at the Board meeting, it will be provided upon request by anyone.

To determine the recipient of the award, a Director should move to present the award to a particular nominee by identifying that nominee by the corresponding number on the list. If the nomination is seconded, the Directors will then vote "aye" or "nay." This process will continue until a nominee receives "ayes" from the majority of the Directors present.

Presentation of the Award

Upon selection of a recipient for the Laubacher Award, staff will ensure preparation of the physical award in time for the Water Agencies of Ventura County's Annual Water Symposium. Staff will also prepare statements to assist the Board President in presenting the award at the Symposium.
